1. Click the Gkash link below to make payment transaction  
<https://gka.sh/vt/ad2e32dfac8c4661a0cb57265e9e2a0f?cn=t>
2. Fill in the form - in the box asking for ID use **MY761392**
3. In the box asking for amount enter 4840 if ordering a P90, and 2640 for the wand
  - a. This is Malaysian RM - about \$1050 dollars US for the P90, and \$565 for the wand
4. Payment Method- Choose card.
  - a. Fill in credit card detail, click Make Payment.
  - b. Please be sure your card is able to do international transactions. You may wish to give your CC/Debit card bank a heads up. If there is any issue, it your CC company has placed a fraud alert on the transaction. Calling ahead may not be good enough – people have had to call their CC companies a 2<sup>nd</sup> time because the departments do not necessarily communicate with one another.
  - c. **Verification Code:** - the Gkash site may ask you for a verification code. You will see a button on the upper right to request the code via EMAIL – people have had issues getting the verification code via text. There has been no issue with Gkash when people follow through in entering the verification code, otherwise a fraud alert may ping the bots in your CC surveillance.
5. When successful, you will see image like the one shown, but this does not complete the order:....

6. **Please take a screen shot of the completed transaction image**, or copy the address in the address bar and save (paste the address in a Word document or someplace to access as you will need it in a few moments).

- a. Taking a screen shot is pretty easy – with the image you want to take on your computer screen, on your keyboard (at the same time ) hold down the Windows key, SHIFT key, and S key.
- b. You may take photo if you don't know how to do a screenshot, but make sure it's clear, every digit must be readable esp. the transaction number.

7. **Now send an email to [rita.purelyliving@gmail.com](mailto:rita.purelyliving@gmail.com) and embed or attach the screenshot. Include all pertinent information:**

- a. Your legal name, and your nickname/facebook name if different.
- b. Full shipping address, including country
- c. Cellphone number with country code (in the U.S. the #1 precedes your phone number)
- d. **If you wish to be a distributor** then either the number from your driving license or passport. **Providing a jpeg image file of your ID expedites the verification process and is preferred for the registration process. This saves YOU a step later on.**
  - i. Once Rita Shimniok has placed your order, you will be assigned your own ID number should you sell devices to others.
- e. If you don't plan on being a distributor; just say "customer" instead.
  - i. If you are interested but prefer to wait, the credit from your order will be assigned to the person who sent you these instructions, and cannot be transferred. You can always become a distributor later on, but it will require the purchase of another OlyLife device.

**Delivery is anticipated to be about 2 to 4 weeks. At this time, because of the Chinese New Year the wait may be longer as shipments do not resume until after February 20<sup>th</sup>, 2024.**

If we are missing any of the required information it will delay sending in your order.
